His successor is this dispatcher has not been named, but the man will be made known in a be easted on January 1. His successor is their dispatcher has not been named, but the man will be made known in a fee days.

#### Story of a Wild Cat.

Story of a Wild Cat.

Engineer Ed White and Fireman Larry Atem had an experience Tuesday night which had it occurred to men of less mid habits, might be attributed to an moses of Christmas cheer.

Tysiday afternoon while going through blusde canyon they were startled by smithing landing with a howl and a sramble on the tender of their engine. When enough coal dust had blown away for them to identify their visitor they behad an enormous wild cat, which reached, snarling, upon the coal and sense ready to take possession of the rah Neither the fireman nor the enginer being accustomed to such a passenge, both at once vacated via the front whow and rode the runboard until Mr. Of arrived at the point at which he detend to disembark before they returned in the employ of the Southern Pacific. It is claimed by some railroad men that Mesrs White and Ahern beat their own tain into Carlin and others are wonderby what would have happened if they had been flagged before the wild cat quit realing the engine. Never having flagged at all cat, none of them can say, but it a thought that Larry will apply for a same on the Sigo and Cork railroad, they there are neither wild cats nor makes.
